

Holiday Visitation Guidelines with current precautions

- Please schedule all visits by calling 402-729-5220 during office hours & selecting option #2 for social services
- If you are calling to schedule a visit December 24 through December 27th, when staff are out of the office, Please select option #1 for the charge nurse
- We can allow 2 visitors /resident or tenant /visit – all visitors MUST be able to wear a mask for the entire visit~please wear a cloth mask when you come for the visit
- Park in the West parking lot outside of Gardenside and please call 402-729-5220 option #1 when you arrive for your visit and staff will instruct you which door to come to.
- All visitors will be screened by staff prior to the visit. Any visitor not passing the screening will not be allowed in the facility
- All visitors will be provided a special mask, face shield & gown to wear for your visit. Please wear your own cloth mask to Gardenside then staff will assist you in putting on the special mask, face shield and gown that we will provide
- Staff will escort you to the designated location for your visit. Visitors must remain in this location throughout the visit and staff will escort you out when you have finished
- If you have scheduled a visit and are feeling ill the day of your visit or are unable to come, please call the phone numbers listed above to let staff know
- Visits are limited to 30 minutes to allow us to schedule more visits
- Visitors must maintain 6 ft distancing, no hugging or personal contact
- We have limited times and locations available for visits so call early to schedule
- Please feel free to bring holiday décor, gifts or treats with you.
 - If you bring goodies, they cannot be eaten during the visit, staff can assist in taking them to your resident's room so they can be enjoyed later by your loved one
 - If you bring clothing items that need to be marked, please let staff know and they will assist with this
 - If you bring items that require assembly or need to be plugged in, let staff know and they will assist with these items
- Our visitation scheduling may change quickly depending upon positivity rate or any potential exposures
