

Group Activities on the Rise Again

By Nate Behrends
Evening Activities Coordinator

Hello April! Oh, how fast you arrived. March was full of music and activities again as Wayne is growing familiar with his new duties. Johnny Ray Gomez started off the March madness. The return of Janet Jeffries followed by Tom Schuttes, their different styles kept the residents and staff hopping. Paul Ramp joined us for Gardenside's St. Patrick's Day party where green punch and various goodies were served up with jig. Then the really "BIG SHOE" Bill Chrastil rock and rolled the Garden with his renditions of Elvis, Roy, Buddy, Conway, Willie and yes, even Elmer Fudd. Mike McCracken finished out the month for entertainment.

Returning to a full day of activities this month has helped to raise a few more smiles. We are anxiously waiting the return of warmer weather for trips outside. Bus rides and van rides will be a big hit this spring and summer. Franzen's Fancy Nails has been a big success, as is our Bible study on Genesis. Bingo, always number 1, brought several out to win that big game. Crossword, Old Glory, Finish the Lines Everybody Knows all who play have fun. Craig Bontraeger comes two times a month for Aerobics with Craig. Thanks a MILLION, Craig.

March Birthdays were celebrated with Paul Ramp. Mary Endorf and Joan McKenzie were the Birthday girls.

April is a big Birthday month with 7 celebrating. Cooking with Wayne and Nate (yes, that's me!) is a greatly anticipated new activity for April. Exercise with Wayne will begin every other Wednesday morning. Fancy Franzen Nails will continue, with spa day possibilities on the horizon.

Joan McKenzie and Wayne Franzen, activity coordinator, move to the music.

Staff Spotlight

Gardenside is fortunate to have exceptional staff who build fond relationships with each of our Residents. Each month, we would like to introduce to you to a few of the staff members who help make Gardenside a 5 Star facility!

Amber Brunow, Infection Preventionist

I grew up in Hebron, Nebraska and graduated from the Medical Laboratory Technician Program at Mid Plains Community College in 2015. After graduation, my husband and I decided to move back home and settle down closer to family. My husband grew up in Fairbury, and his grandfather insisted I apply at JCH&L. I chose to transition from lab to Infection Prevention in 2018, and have been working as the campus Infection Preventionist ever since (6 years total). I do have a background as a CNA in long term care facilities, so I was happy to get back in touch with those roots. I am very family oriented and spend any free time I can get with my husband and 2-year-old daughter. My family enjoys being outdoors and taking long walks on the Little Blue sand bars looking for Native American artifacts.

Stephanie DeFrain, Nutrition Services Assistant

Stephanie has worked for JCHL Dietary Department for 6+ years. She has been married to her husband Gregg for almost 25 years. Gregg works for the City Water Works taking care of the community drinking water. The couple has 2 daughters: Nichole who works as a CNA and Mackenzie who is currently a senior in high school. When not at work, Stephanie enjoys camping, fishing, and just being outdoors.

"What's Up Wednesdays" on Ol' Red 99.5

Ol' Red 99.5 continues to offer What's Up Wednesdays from 1 p.m. to 2 p.m. each Wednesday. The radio station started offering this to bring some good cheer and messages of care to nursing home residents and assisted living tenants throughout our area who are not allowed to have visitors.

Every Wednesday from 1-2 Ol' Red 99.5 listeners will be able to call in and give a well wish, an I love you, or a simple hello on the air. **Call the studio line at 402-729-3383. Tune in from 1 p.m. to 2 p.m. on Wednesdays, for What's Up Wednesday, brought to you by Caspers Construction, NewsChannel Nebraska, and Ol' Red 99.5.**

Group Activities

(Continued from page 1)

The Chenges will return for an Easter program on Good Friday, then Shawn Cole the 1 man band will entertain later in the month. The Garden will end the month with Rick Clarence. The new updates and additions to our It's Never Too Late computer system will increase individual participation and will be a great big boost to the activities department on a one on one and group activity basis. Thanks to the many organizations who made this improvement possible—including the Nebraska Community Foundation, Diller Community Foundation, Fairbury Community Foundation and JCH&L's Jefferson Health Care Fund.

The rules for visits are changing so please call and ask to see your loved ones. Gardenside wishes you all Peace and as always Good Journey, and wave if you see us driving by.

Upgrades to the It's Never Too Late computer system were made with a grant from the Nebraska Community Foundation and matching funds from Diller Community Foundation, Fairbury Community Foundation, and JCH&L's Jefferson Health Care Funds.
