

"Nostalgia of Cars" Show Successful

The first-ever "Nostalgia of Cars" Show—a cooperative effort between JCH&L Gardenside and Heritage Care Center held on Sunday, May 21 — was a success!

"We were thrilled to have 38 vehicles on display—with many different makes and models. The support of our sponsors and our community was wonderful. The cooperative effort between Heritage and Gardenside was a great partnership. And most of all, we saw many residents of both Heritage and Gardenside with wonderful smiles. Our residents thoroughly enjoyed the day," said Wayne Franzen, organizer.

Greg and Jeff Bakewell pose with their mom, Jane Bakewell, in front of Jeff's 1973 Ford Mustang, which was one of the Top 10 winners at the show.

The show raised more than \$2,000, which will be split between Heritage and Gardenside. At both facilities, the proceeds will be used to directly benefit residents. At Gardenside, the proceeds will be used for Christmas gifts for residents.

Event sponsors were: Scherbarth Ace Hardware; Heartland Bank; NAPA Auto Parts Action Auto Supply; MH Paint and Body; Schmidt Machine; Union Bank and Trust; The McBattas Group; Barber Home Furnishings; Ol' Red 99.5; Arnold Motor Supply; DeBoer Beef; Twin Rivers Auto Group; American National Bank; Riverside; TO Haas Tire and Auto; Maatsch Oil Company; Gerdes-Meyer Funeral Home; Fairbury Dental Associates. Judges were Kirk Weichel, Stephen Lord and John Ebke.

COVID Health Emergency Ends

The end of the Public Health Emergency happened on Thursday, May 11, 2023, at midnight. As of that time, CDC will NO longer receive data needed to publish the Community Transmission levels that have been used to determine source control guidelines for health care facilities.

Health care facilities will identify local metrics that could reflect increasing community respiratory viral activity to determine when broader use of source control in the facility (such as masking) might be warranted.

As we update our policies and procedures, we will keep you updated. For now, the signage at all entrances is being taken down, and checking "community transmission status" on the CDC website for masking requirements is no longer required.

Please continue to safeguard the health of our residents, and don't visit when you are ill. Thank you!

Work on rooms is progressing

We are moving along with getting the rooms painted, new flooring and TV brackets on the walls. We still have several rooms left the end is in sight now! source control guidelines for health care facilities.

Results of the most recent state survey are available on the east side of the wall by the Activity Room. Nurse staffing hours are posted west of the nurses station.

Many fun activities in May

By Nate Behrends

Evening Activity Coordinator

May was filled with fun as we celebrated Nurses Week and Nursing Home Week with many fun-filled activities. Many games and bus rides along with building and decorating items for the car show and bake/craft sale filled our days. We celebrated May birthdays with Beverly Leseberg, Carol Hart and Norris Gold by having a party for all.

Bobby Gadaury performed during Nursing Home Week, bringing his talent to Gardenside. The Houston Solution also graced Gardenside with their twist on yesterday's country and rock and roll hits.

Billie Eisenhower, Gardenside hair stylist, has begun doing nails for our ladies. Thank you, Billie!

June has many fun activities scheduled: watermelon feeds, bus rides, the return of Gypsy Cowbell, and Paul Siebert returning for the first time since — (well, you know!)

Thanks to all who came out and supported "Nostalgia of Cars" show!
