

Many activities kept us busy in January

January was full of fun as we welcomed back Mr. Memories, Joe Taylor, to perform with his velvet voice the songs of yesteryear. Dan Reynolds also came back to entertain at Gardenside with his Neil Diamond voice, as well as tunes from other song-writers. Games like Big Ring Bowling, Chicken Flickin' and Bingo remain the top games for activities.

February will be full of activities as Chris Sayre will return on Groundhog Day to perform. He said he even has a song or two about Groundhog Day. The day will be filled with groundhog day ... we will have special treats and a photo at Phil's House photo booth.

Mardi Gras is on Tuesday, Feb. 13, and we will have a few surprises for the Fat Tuesday celebration. The very next day (Feb. 14) we will celebrate Valentine's Day with the crowning of our Gardenside King and Queen, goodies, a photo booth and a brand-new-to-us performer, Joyce Torcia, entertaining. She will bring us her upbeat style for the first time for our Valentine's Day celebration.

March sees a another brand-new performer for us in Louis Watkins, who has performed in Las Vegas shows. Then hold on to your hats for the return of the performer who got his start at 15 years old in Jansen. Now 80 and still rockin', Johnny Ray Gomez returns to Gardenside in March.

More games have arrived. We now have a Giant Ring toss and a Wheel of Fortune bean bag toss game to go along with all the others.

January birthdays were Joyce Brantly and Stan Judd. We held a birthday party in their honor with cake, ice cream and coffee.

In the months to come we will keep you up to date on our progress for this year's Kentucky Derby. The Derby is on May 4, but you will not want to miss the big race on Friday, May 3, at "Gardenside Downs." More details to come!

Mr. Memories, Joe Taylor, sings to Ruth Hull.

Masking is not currently required

Masking is not currently required of visitors at Gardenside. We thank families, volunteers and visitors for their cooperation in masking when it is needed to protect our residents' health. We require masking when respiratory illnesses are circulating in our area. When masking is required, it is posted at our entrances and on our website. Masks are always available at our entrances. We continue to remind family members and visitors to please NOT visit if you have symptoms of any illness. Please help us keep your loved ones healthy.

Pearl

We are sorry to announce that Pearl is no longer living at Gardenside. We know many loved her and will miss her. Unfortunately, there were some liability concerns. Down the road we will look at options to bring another pet to Gardenside.

Survey

Our annual survey by the state of Nebraska was completed in December. We had a few deficiencies, which have all been corrected. Surveyors were very complementary about the care provided to our residents. The latest survey results, as always, can be found in a binder outside the Activity Room.

Results of the most recent state survey are available on the east side of the wall by the Activity Room. Nurse staffing hours are posted west of the nurses station.
