

# Coming Soon

## Intuitive da Vinci 5<sup>®</sup> surgical robotics

The newest da Vinci technology is coming to JCH&L in early 2026.

- Allows Minimally invasive surgery
- Leads to shorter hospital stays
- Reduces blood loss during surgery
- Allows small incision
- Reduces scarring
- Provides faster recovery time
- Reduces force on human tissue
- Enhances surgeons' vision

*Ask your doctor to refer you to a trusted, experienced surgeon and the newest in robotic surgical technology at JCH&L!*

### WHY CHOOSE JCH&L?

- Newest technology
- Trusted surgeons
- Compassionate staff
- Close to home
